

Maurice Lartigau Jr.  
French Pool Toy

FPT is the idea of fine wine veteran Maurice Lartigau Jr. Maurice was born into the wine industry being the son of Maurice Lartigau Sr. one of the founding members of Seagrams Chateau & Estates the import power house of classified Bordeaux and Burgundies in the 70s ,80s and 90s. Having studied at the University of Bordeaux and worked at different vineyards Maurice honed his knowledge and appreciation of fine wines. For the last 30 years he has held management positions with Moet & Chandon , Roederer, and Palm Bay International. It was his active lifestyle as a surfer and sailor and his love of wine that led to the creation of FPT. A eco friendly , low carbon footprint ,lightweight and unbreakable package. Perfect for pools, beaches, boats concerts or anywhere glass would be a problem.  
“Enjoy the inside recycle the outside”
